Bonus Tips:

Recommended Research Databases for Students in Cobb Digital Library:

Grades 2, 3 & ESL: Pebble Go (Animals, Biographies, Science & Social Studies)

Grades 4 & 5: Encyclopedia Britannica Elementary

Information Literacy Strategy:

Have students discover 5 books they want to read using NovellistK-8. Then, have them search for those titles in our Destiny Library Catalog. Students can place holds for those books and/or send me a request to purchase titles using their accounts in Destiny (so can the teacher!)
